Rivermoor Members: \$160

Clinic Starts Monday & Tuesday

Start Time 2:00 pm

Clinics end and play starts

@ 3:30 pm

This Clinic is focused on high school aged girls that have interest in or are already playing high school golf. As the Head Coach for Waterford Union High Schools' Girls Program, I understand the need to grow the game among juniors and girls in particular. This clinic is not restricted to Waterford students, it is open to all. The goals of this clinic will vary between students, but it will be very much tailored to individual instruction. Class size will dictate the format each week some days will be modified group lessons, others will be strictly individual lessons. Lessons will start promptly at 2:00 PM focusing a different topic each week, including all parts of the golf swing, short game, sand play, etiquette, the mental game, and on course lessons! Golf will start at 3:30 PM tee times with a max of five foursomes per day. Most likely students will be split into two groups, half will get lessons Monday, the other half Tuesday if the class size is small students will get a lesson both days. We will do this to maximize the learning of each student, if you are not getting a lesson on a given day, golf will start right at 2:00 PM. This Clinic will essentially be "mock practices" to prep girls for high school athletics, so score keeping is not required but encouraged! In the event of rain, please call the proshop at 262.534.2500 to see if the clinic is on for the given day. If a day is rained out, there will be no rain dates because of WIAA restrictions on summer coach contact. If you are unable to make it on a given night please contact Robb so the lesson can be made up.

***Each Session has a maximum number of 20 participants. So, get signed up today!**
